## The Church

Sometimes people think of the Church as being like a giant helicopter. They don't want to get too close in case they get sucked into the rotas.

*From Ten Second Sermons by Milton Jones*

# Archbishop Sentamu's Pilgrimage of Prayer, Witness and Blessing

Archbishop Sentamu is now well underway on his six-month Pilgrimage of Prayer, Witness and Blessing across the Diocese of York.

He begins his Pilgrimage in Whitby on Tuesday 1 December; he will later journey to the East Riding, and finish in York Minster on Trinity Sunday (22 May 2016).

You can follow and share in Archbishop Sentamu's journey on the dedicated website

[www.pilgrimage.archbishopofyork.org](http://www.pilgrimage.archbishopofyork.org)

Archbishop Sentamu is spending six days, from Tuesday to Sunday, in each of the Deaneries. He will be walking a sizeable distance each day from the coast, over moor and dale, along highways and byways, through both the rural and urban

communities from the Humber to the Tees and the A1 to the coast. His aim is to meet people, pray with them, and to encourage them to follow Christ, and bless what God is doing.

Archbishop Sentamu said, "My prayers have led me to this pilgrimage. St Paulinus, St Aidan, St Cuthbert and St Hilda of Whitby in their time shared the good news of Jesus Christ with the people of the North. Praying for those who come to know Christ is a great privilege and a joy. During this pilgrimage, I would like to encourage everyone I meet to commit themselves afresh to try praying, be open to encountering Jesus Christ, pray for a mighty outpouring of the Holy Spirit, and receive the gift of the joy provided by Jesus Christ – and be thankful. Pray with me, and join me on the road!"

## **“The Church is Always Asking for Money”**

I have heard that statement made many times over the years, and obviously there is an element of truth in it, for without any money we couldn't pay any bills - unless someone has found a way around this.

Our responsibility as a large Church in a relatively well off area of the Diocese is also to support those who struggle more, so in effect with the money given as our Freewill Offering and Church Fees put together, Christ Church and Saint Oswald's pay for almost two full time clergy as we gave £105,625 to the Diocese.

At Christ Church and Saint Oswald's we also believe in encouraging people to support other good causes too, by donating collections from our baptisms, weddings and funerals to charities chosen by the families. With baptisms we give a choice of three to choose from - Zoe's Place Children's Hospice, Daisy Chain or Clic Sargent Children's Cancer Charity - but with weddings and funerals it is a free choice. As well as raising big amounts of support for good causes, it also increases goodwill to the Church, and sometimes people kindly request that donations come to us.

Our Churches also give a proportion of their income each year to various charities and you will have read last issue what Christ Church supported.

There are often special appeals during the year to respond to, as well as the Harvest and Christmas Appeals, and as you will read elsewhere in Spire, this Christmas we shattered all records.

Some may ask why we don't keep more of this money for ourselves, and the answer is simply because it is in being generous to others that people are generous back to us in return. Give and it shall be given unto you, or as a dear lady in my former Parish used to say “Money is made round to go round. Give it away and it comes back to you.” Thank you to all who help us be a generous Church.

So the next time you hear someone say “The Church is always asking for money” you can say, “Yes, but they give it away too.”

# Christmas in Great Ayton & Newton

We are most fortunate in having talented people who decorate our Church buildings so beautifully for the Christmas season, for this really adds to our worship.

The Memory Tree at Christ Church brought comfort to many as they left many prayers and remembrances of loved ones on it. It also raised £114.10 for Herriot Hospice Homecare.

The story of the birth of Jesus was captured in many ways including the Crib at Christ Church and the Instant Nativity told with passion at Saint Oswald's.

# Christmas Carol Services

Our Parishes are blessed with several very well attended Christmas Carol Services. At All Saints John Appleyard introduced us to Hark! The herald angels to Leonard Cohen's "Hallelujah"

St Oswald's, Newton under Roseberry, saw their biggest attendance yet with folk sat on the altar steps.

Roseberry and Marwood Schools filled Christ Church to capacity for an excellent service.

At Christ Church's Service we used the new screen and projector and heard the huge increase in singing from the congregation. The choir were excellent once again.

A very good crowd for Carols on High Green raised £604 for Teesside Hospice.

Great news was that our Christmas Appeal to help repair Roseberry School in Darjeeling in India shattered all previous appeal records and raised an incredible £5,000 towards the £25,000 needed to replace the pre school in a safe manner. Helen Jones spoke movingly of the excellent work being done and the difference being made to poor children in the area. Here's how they did.

# The Archbishop's Visit

The Archbishop of York joined us for prayers on Christmas Eve morning. I called for him with my Archie to walk both to Church! The prayers were simple but very powerful and we had a good turnout.

Following prayers, we walked down the High Street in the pouring rain to witness the queues at the butchers - a sight to behold! All worth while when presented with your own Petch's Pork Pie.

We called in at several shops where the ABY greeted people. The Post Office was now quiet as the last post for Christmas had been delivered. Richard Thompson was ever ready for a run on batteries. Then it was off to Kildale.

As the Archbishop continued his pilgrimage through Stokesley, calling in at the Co-op and the Crib Services at Stokesley Parish Church, so we filled Christ Church for the Crib Service with the Christmas Story told in word and song by our Sunday school, featuring an incredible angels dance. I was too busy enjoying it to photograph it!

Despite the big show in town in Great Ayton, it was lovely to see numbers at Saint Oswald's Christmas Eve Communion increase from last year.

Midnight Mass has been on the decline for many years due to the change in worship patterns and licensing hours. Prior to my arrival we had a Policeman on the door to deter drunks. We had gone to former wrestler, Les Prest, when I came!

This Christmas Eve we were packed with a congregation of 253 who had come to experience this once in a lifetime occasion, of an Archbishop taking our service. They were not disappointed for Archbishop Sentamu was on form, and his sermon

is still available to hear on our website.

It was good to see Christians from all denominations from our village gathered together for this occasion.

Thank you, Archbishop, for your encouragement and faith. May your visits be the spark that rekindles faith wherever you go.

## THE CHILDREN'S SOCIETY

I hope that you had an enjoyable time over the Christmas period and haven't succumbed to any nasty coughs and colds.

The annual Christingle service went off well, with a full church - £546.53 was collected from the "candles". The committee sang carols just before Christmas, ably accompanied by John & Jamie, and several people also came along and joined in - £137.73 was collected that morning.

On WEDNESDAY, 3rd FEBRUARY, we are holding the BOX OPENING COFFEE MORNING in Christ Church Hall between 10.30 am and 12 noon. Entrance is £1.50, and there will be a cake stall, Pauline's cards and a raffle, so please come along and bring your boxes as well.

Advance notice: the Lent Soup Lunch will take place on Thursday, 17th March, - details will be in March Spire.

## Megson in Concert at Christ Church on Friday 1<sup>st</sup> April.

Three times nominated in the BBC Radio 2 Folk Awards, Teesside duo Debs and Stu draw heavily on their local heritage to create a truly unique brand of folk music. They bring an infectious mix of heavenly vocals, lush harmonies and driving rhythmic guitars. Megson have gained fame on the British folk scene, not only for their arresting and intelligent songwriting, but for their exquisite musicianship and northern humour. We are

delighted that they have included Great Ayton in their Spring Tour of the UK, please put the date in your diary now and look out for details in the coming weeks.

# It's All Change at the Oak

The surprising news that greeted the New Year was that the Royal Oak is to change hands.

The Monaghan family took it over in 1978 under Derek, who “retired” five years ago handing over to son Simon. Over recent years Simon has extended his business ventures into The Mill in Stokesley and the Derry Arms in Long Newton (Both worth a visit) He knew that the Royal Oak was a village pub that needed a landlord to give it the time he could no longer give - and then fate took a hand.

Simon Fletcher, an Aytonian through and through, was getting tired of his commute to work in Liverpool and was looking for a new challenge. He mentioned to his wife Katie about

running the village local he had worked in years ago, and it sparked a thought that lit up many ideas. Simon M was approached and Paul Steele, a former chef at the Oak was also brought in as a business partner, and so out of nowhere a deal was done.

Simon, Katie and Paul are very much looking forward to be able to give the Oak the time and the love it needs to keep it as the well loved village local we have known over many years.

There will be a brand new menu with locally sourced produce cooked to a consistently good standard. Some favourites will remain, including the famous Parmo and even Derek Monaghan who is remaining to help out.

Simon Monaghan is looking forward to returning in the future as a customer, and I am sure that he will be delighted to see how Simon, Katie and Paul are taking the Oak forward. We wish them all every success for the future.

### Malcolm's Bits and Bobs

Influence is what the other fellow has when he gets the job you should have had on merit.

Sign at the entrance to a field in Berkshire: "Trespassers are requested to shut the gate behind them to prevent savage bull getting out."

A pessimist is one who has lent money to an optimist.

The CEO of an authority in Durham received an anonymous letter demanding a reply to an earlier letter — also sent anonymously.

A cynic once observed that a politician is someone who stands for whatever voters fall for.

On her retirement, the head teacher of a primary school received a card in which a seven-year-old boy had written: "May you rest in peace."

President Ronald Reagan once gave this definition of middle age:: "Middle age is when you're faced with two temptations and you choose the one that will get you home by 9.30."

Two boys, playing noisily in their grandmother's room, suddenly noticed that she was reading her Bible. "We'd better be quiet," remarked the older boy, "Grandma's swotting for her finals."

A civil servant, deliberating at a public inquiry into a road scheme, was asked when a decision might be forthcoming. "Somewhere between imminent and expected soon," he replied.

A girl at a boarding school wrote to her parents: "Last week the Bishop came for a confirmation. I could see him very well from my place in the chapel. Now I know what a crook really looks like."
