SPIRE PRICE INCREASE

We heard in January that the price for printing Spire is going up this year, so have had to raise the cost to 65p an issue to cover costs. This still represents great value for money and we are grateful to Quoin Publishing for the excellent value for money they give us. We don't seek to make a profit with Spire, but prefer to keep the cost down so more people can read it. Free copies are put in cafes, Discovery Centre and other Public Places and the pdf copy is available to download on the website or you can sign up there to have it electronically delivered.

Many thanks to John from Guisborough who kindly sent £20 towards production costs, which helps us keep it available for all. Editor

New Year - Fresh Look

A New Year gives you a reminder to have a fresh look at things. Mrs P and I decided that we should look again at our Wills, as we drew them up when the children were young, but they are now adults. You know how it is, you keep on intending to do something, but never quite get round to it.

Now let me say quickly that I am not a rich man - alive, but were we all to perish in a car or plane crash, then certain insurances would be payable. They wouldn't be any use to me or us, so when we first drew up our Wills we thought who and what we could support with our last wishes.

Looking at the list today there is 65% of the money we would now redirect elsewhere. The causes in the first Will reflected our life at the time, but the situation has now moved on. If this Will were now to kick in, then it wouldn't be my last wishes that were implemented. How is it with you? Have you got a Will at all? Is it current? Does it reflect how you would want your hard earned income spent after your death?

Let me tell you three stories without names from experiences here.

The first was a young man (not me) who was told by an older widowed lady without children of her own who thought a lot about him "Don't worry love. When I die I will see that you are alright." As she gave a firm indication that he would be remembered in her will. Sadly she never got round to changing it, and so her estate was left to an older person who didn't really need it and he got nothing.

Secondly, a couple, without immediate family of their own. His Will left instructions as to how the estate was to be left to close family and a generous donation to Church. Unfortunately he died before his older wife, who hadn't made a Will, so different rules applied and the original beneficiaries were cut out, which I suspect wasn't the actual choice of either of them, but what happens if you die without a Will.

It is always slightly disappointing when fairly wealthy Church Members die leaving lots of money and big houses and yet don't remember the Church family they belonged at all. That's why the Third story is of a dear lady in the community who had no close family left her entire savings to be shared equally between Yatton House, Saint Oswald's Church, the Methodist Church and Guisborough Salvation Army. We all received a very generous amount that was so helpful in our work.

Using our money well is good stewardship and good for our health. Let me tell you another story.

John D. Rockefeller, who was one of the wealthiest men of his day, was dying at age fifty-five. He was living on crackers and milk and could hardly enjoy all the wealth he had accumulated. He spent most of his time in bed and claimed he had not had an uninterrupted night of sleep in five years. He was hungry but could not eat even though he could afford the best food in the world. He was weakened by a blood disease and racked with pain from an ulcerated stomach. All his money could not buy him the one thing he needed and wanted the most, his health. So since he was dying anyway Rockefeller decided to do something he had not done much of before, give his money away. He began to give away thousands and millions of dollars. Within twelve months of starting his giving venture he was virtually well and spent another thirty-five years living. He credited much of his miraculous healing to being the result of learning to give.

You don't have to wait until you die to start being generous. You can do that now. We have many folks within our Churches who do support us regularly and generously enable us to be generous Parishes. But it has to be said that there are also quite a few people who we are still hoping will join the regular givers. I keep on writing and asking and haven't given up. My apologies to those who think I keep going on about Giving, but if everyone was generous and committed we would have more than enough.

When it comes to our Wills there's no excuse as we no longer need or can use the money, so lets make sure it is used well to benefit the people and causes we believe in. Make sure you have a Will and it is up to date for you can do so much good with your last act.

Jesus said in Luke 6: 38, "Give and it shall be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you." Be generous with God and He will be generous with you.

The Eden Project in Stockton

At our November PCC Meeting Ken Taylor nominated a charity suggested by Nicky Pepper, to receive some of our PCC Giving. The Eden Project is a Church Planting Project run by Stockton Parish Church in one of the poor areas of the town. Here is a report from Duncan and Rachel, who are involved in the project. Our prayers are with them.

Firstly, THANK-YOU for your support. We're really excited that you're sharing in what God is doing on Mill Lane. We recognise that God has been at work through his Church here for many years, and we're very grateful for the body of Christ supporting us as we play our part.

This last season has been an exciting one as we officially formed as an Eden Group (to learn more about Eden visit, <http://joineden.org/>). That involved appointing two, part time, assistant team leaders, to support ourselves in heading up the group. They're called Rachel and Jo and are AMAZING, hopefully you'll get to meet them at some point this year. It also involved interviewing each member of the team (there's 14 of us including two children), and each person committing to serve what God's doing here long term. It was so exciting to hear each person's heart for the area and their vision for what God's doing here.

We also ran two events in the run up to Christmas which we'd love to tell you about....

Our first ever puppet show (guest starring the puppet team from All Saints Preston on Tees) was a big hit with children and parents alike! We were well supported by the local school in advertising, and had approximately 40 children plus parents attending the event at the

local community centre. It was a great opportunity to meet some new families, as well as catch up with some old friends from the estate. We were also able to give a gift to every child thanks to a generous donation of goodies from two local churches.

This year was the second year we've sung carols around the estate and the first time we've been joined by the Salvation Army. We spent just over an hour walking, singing and knocking on each door as we passed to offer them a Happy Christmas and invite them to our Christmas services. Once we were all sung out we headed back to the community centre for hot chocolate with some members of the local community.

Great Ayton and District Committee

The Pie, Peas, Pots and Puds to celebrate 70 years of the Great Ayton Y.C.R. Committee was a great success. The total raised was £2,408.40 a wonderful amount. A big thank you to all who worked so hard, to all who came and supported so generously and a very big thank you to Frank, Jeff, Alan and Wayne for the pie, peas and pots. June and Andy from Y.C.R. brought a cake, cards and balloons as well as a photographer! A great afternoon.

The next event will be on Saturday 23rd March 2019 in the Village Hall, Ingleby Greenhow 10am. - 12 noon where The Bradley School of Dance will perform. There will be a cake stall, tombola, raffle, jams. Tickets or pay at door £1.50.

Margaret Stevens

THE CHILDREN'S SOCIETY

The Annual Coffee Morning will take place on Wednesday, 13th February, at 10.30 in Christ Church Hall, with a cake stall, raffle and greetings cards.

We were joined by members of the congregation for the Carol Singing in December - our thanks to Jamie Harvie for accompanying us. £165.30 was collected on that morning.

The Christingle Service at the beginning of December (seems a long time ago now!) was well attended and £353.69 was collected.

PANTO GENEROSITY

At the Panto in December, *The Bradley School of Dance* thought of a new way to encourage generosity with their performances of *Beauty and the Beast*, by encouraging Patrons to bring a donation for Middlesbrough Foodbank in exchange for a free mince pie. As you can see this was most successful, and this was gathered together with Christ Church's December collection, which was so large they had to bring a van to collect it. Well done everyone.

There is another hidden generosity with the Panto, that I would like to pay tribute to having been involved in it now for 12 years. When I came here Bradley's Christmas Show was always on the week before Christmas, and when going to Carols on the Green I would usually see them all trouping into the Church Hall.

When Margaret Connelly asked me to be the Dame for the first time in 2007, the Panto had to come forward a week so I was free for all the Carol Services. This means a week without income as the dancing classes always stop after Panto.

She also generously agreed to stand down on the Thursday evening so that Marwood School could use a fantastic stage and lighting for their Christmas Production, rather than balance on the old wooden tables, (*We wouldn't be allowed to do that today even if we still had the tables.*) so any takings for Thursday evening are also forgone, which over the years must have added up to quite a sum.

It was therefore brilliant to see that *Beauty and the Beast* was a sell out for Friday, Saturday and Sunday performances with good crowds earlier in the week too. Thank you Margaret for your kindness and generosity which is done so quietly, I don't suppose folk notice.

Mrs Bidet

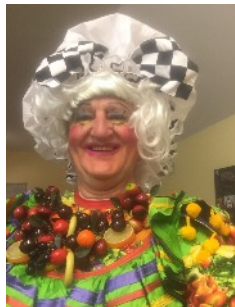

CHRISTMAS 2019

Thank you to all who contributed to a great Christmas Season or Worship in all of our Churches which always look fantastic for Christmas. Incredibly at the time of writing, the Christmas flowers in Christ Church are still in place - well its not the heat that kills them for sure!

Getting ready for Christmas starts with our **Christingle Service** on Advent Sunday. The Christingle was celebrating its 50th Anniversary from the first one in Lincoln Cathedral, and it is reckoned that we started ours a few years later under Ted Appleyard. The Church is always packed and thanks must go to our hardworking and dedicated Children's Society Committee for all their hard work throughout the year

The Christmas Season is always a very hard time for those who have lost loved ones, and so for many years in early December the Flower Guild have placed a **Memory Tree** in Church for people to place prayers, and if they wish, to make a donation to Herriott Hospice Homecare. This was well used, and when I came to lock Church on Christmas Day I found a family inside in the dark putting a prayer on the tree. We sent £105 to Herriott Hospice who were most grateful.

One of my personal joys at Christmas time is being the panto dame for the Bradley School of Dance annual production. They have kindly asked me to take part for the last 12 years, and whilst it gets harder learning the lines, there is great pleasure in helping make people laugh. This year it was Beauty and the Beast and I was Mrs Bidet, the French Housekeeper. There is so much bad and depressing news about, its good to get out of yourself and exercise the Chuckle muscles.

Panto over on the Sunday and on Monday it was a week of Carol Services kicked off in good style on High Green and very well organised by the Parish Council every year.

The rain came for Tuesday at **All Saints Church**, but we had a roof! John Appleyard introduced us to more new tunes for carols - I don't know how he thinks them up.

A breather on Wednesday and then a packed Church at **Saint Oswald's** with full vestry and chancel and standing room at the back. We welcomed Christ Church Choir whose selection of Christmas anthems added to the service. We had many neighbours, wedding couples and friends from Hutton Village who used to walk across for Christmas Eve.

Friday saw Christ Church packed with both **Roseberry & Marwood Schools** and parents for their carol service. A lively narrative well read, interspersed with Christmas songs, some from their Christmas Productions, added to the occasion. The children of both schools did us proud and happy people left Church.

Sunday saw the Carol Services come to a suitable end with a full Church at Christ Church enjoying a feast of Readings, Carols and Choir items. Ewan did very well with the choir and any Carol Service that has Berlioz's The Shepherds' Farewell in it can't go wrong - a truly wondrous piece of music.

All of our Carol Service collections, plus the Crib Service collection, go towards our Christmas Appeal - now on its 26th Year. This year we supported a local Charity in Grove Hill in Middlesbrough. The Genesis Project run by St Oswald's Church seeks to build Christian Community by Kids Clubs and a Luncheon Club for older folk. We sent a group of our students to help out with their Christmas Meal, and they had a great time.

Kath Dean, who is involved in running the project came to speak about it at our Carol Services, with two stand-ins for the two she couldn't manage. All spoke well, and the result of Appeal can be seen in the table. A very good amount. Thank you.

Service	£
Freemasons Carol Service	264.02
All Saints Carols by Candlelight	465.05
St Oswald's Newton Carol Service	816.51
Marwood & Roseberry Schools Carol Service	509.89
Christ Church Carol Service	927.49
Christmas Eve Crib Service	418.14
Donations	626.25
Total	4027.35

Ken and I have the privilege of taking a large cheque over to them, together with £1,000 for the Church to spend as they wish as an encouragement in their work. We could only do this thanks to the generosity of all who gave over Christmas.

This year Christmas brought us a three day weekend with Sunday, Christmas Eve and Christmas Day all in a row. This does tend to spread numbers between services as the Sunday Carol Service certainly felt like Christmas. Nevertheless, we had good numbers at all our Christmas Services with the Crib Service being perhaps the most popular on Christmas Eve. All now over for another year, but blink and it will be here again!

The Memory Tree

The Memory Tree raised £105 for Herriott Hospice Homecare as well as supporting many from our Community who have lost loved ones and feel the loss especially at this time

WORLD DAY OF PRAYER

(Formerly Women's World Day of Prayer)

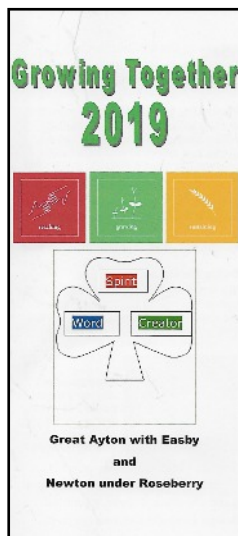

A service to celebrate World Day of Prayer will be held on **Friday 1st February at 10.30am in Great Ayton Methodist church.** This year's theme is "Come - everything is ready" and has been compiled by the women of Slovenia. Songs, prayers, music, drama and a time of reflection are included, followed by refreshments. Everyone is welcome to come along and celebrate with people all over the world on this day.

GROWING IN FAITH

If you were accused of being a Christian, would there be enough evidence in your life to convict you?

All too often we are content with getting by with not knowing as much as we should, often for fear of showing our ignorance in front of others. Let me tell you something, everyone thinks that way. The more we learn about anything then the more we enjoy it. Our understanding enhances what we get out of things.

So that we can Grow in our faith, a programme of events, talks and courses has been arranged for 2019 and there are leaflets in Church called **Growing Together 2019**. Some are one off events with a speaker, some are courses over 4 weeks like the one overleaf led by Angela Bailey, the Training Officer. We will have some here at Church, but have booked North Ormesby Church for an away day later in the year. If you haven't ever been before, its an oasis of peace in and industrial setting - quite different from what you may have experienced before.

Don't try and do everything, but try and do something within 2019. There is too much to put all in Spire now, so please collect a leaflet from the back of Christ Church.

The Genesis Project

Early in the New Year Ken Taylor and I went over to Saint Oswald's Grove Hill to pass on the results of our Christmas Appeal for the Genesis Project and also a cheque for £1,000 specifically for the Church as part of our PCC Giving. Pictured above are

Vicar Rev'd Sue Richardson, and the newly ordained Rev'd Kath Dean.

Sue is coming to preach at Christ Church at the 9.15am service on 24th February. Please come and give her a welcome.

Being Christian

Led by our Diocesan Lay Development Adviser, Angela Bailey (photo) and based on former Archbishop of Canterbury Rowan Williams book 'Being Christian', there are four sessions:

Baptism	8th February
Bible	15th February
Prayer	22nd February
Eucharist	8th March

Each is suitable for all adult Christians

Starting on Friday mornings at 9:30 with coffee; we'll finish by 11:45 there's a crèche for preschool children.

Don't worry if you can't make all 4 sessions, each 'stands alone' and the series will be repeated on Monday evenings in June – so you can catch any you miss then.

We have a tradition in the church – let's be reminded of some key factors (or maybe hear them for the first time)

Angela will use the Bible to support learning on each topic and also help us get more confident in finding our way around it.

A handout gives us something to take away and check later

There'll be an opportunity to ask questions, which helps us clarify some of the most obvious misunderstandings.

It would be helpful to have an idea of numbers – please email "Yes" or "No" or "Maybe". Thanks,

Geoff

CHORAL EVENSONG AT CHRIST CHURCH

Whilst many Parish Churches are struggling with numbers attending, our Cathedrals are bucking the trend and seeing an increase in attendance. Perhaps worshippers enjoy losing themselves in the timeless quality of some of the singing? We all have different spiritual itches that need scratching, and Cathedrals certainly manage this. For some its too rich a fare, but for others a wonderful treat to lift them to another plane.

Well the good news is that for all that enjoy this style of worship you don't need to travel to York Minster for we have the combined Choirs of Christ Church, Saint Leonard's Loftus and the Roseberry Church Music Singers under the direction of Richard Bendelow coming to sing

Choral Evensong on Sunday 24th February at 4pm in Christ Church.

They have been before and it was a most worshipful experience .What is wonderful to see are the number of young people who are participating in the combined choir, and they come from all three choirs including ours.

Loftus Church has seen growth in recent years and their Vicar, Father Adam puts this down to the encouragement the children have had from the choir, which as well as helping them belong to the Church and grow in faith, is also giving them a good grounding in musical education

Contemplative Outreach and Centering Prayer

Towards the end of last year the Revd. Mel King, from Saint Thomas' church, Brompton, became the representative for Contemplative Outreach in the North East region of the U.K. Centering Prayer (as the method of prayer is known) is practiced in many countries round the world. It is a silent prayer of the heart based on "The Cloud of Unknowing" and the Fathers and Mothers of the Desert of the 3rd and 4th century A.D. Contemplative Outreach was first formed in the 1970's by Fr. Thomas Keating, Abbot of Saint Joseph's Abbey, Massachusetts, together with two other monks.

At present there is a group here in Great Ayton, with people from each of the churches involved, who meet together weekly for a time of contemplative prayer.

Having the Rev. Mel King as Contemplative Outreach representative marks a new beginning for our area. We are pleased that she has been able to accept an invitation to **The Friends Meeting House on Monday 4 March** to lead a morning on Contemplative prayer with a talk entitled , "Where only love can go." The talk will be about opening to the Presence and Centering Prayer. This is for all who might be interested in discovering new insights or starting afresh with this method of prayer. **The morning begins at 10.00 am and will finish for 1.00pm.** You are welcome to come for all or just a part of the time. Look out or ask for more information later this month via each of the churches in the village.

A "PC" pantomime in Worcestershire was retitled "Snow White and Her Little Friends."

"Journalism largely consists in saying "Lord Jones is Dead," to people who never knew he was alive." - *G.K. Chesterton*

The obituary of a Belgian, described in the headline as "deeply eccentric, would-be stock market guru, politician, F1 team owner and crook and gangster," recalled that he bought Europe's first refrigerated coffin to house the body of his wife, "so I can see her again before I die." But he was prevented from installing it in the graveyard by the local community, who thought the noise from the motor excessive.
